

# Evolutionary Leadership Paradigm Inaugural World Leadership Day

20 March 2007  
Sydney

- Sparking international attention and interest, the Inaugural World Leadership Day, founded by Elisabeth Gortschacher\* is devoted to raising awareness and inspiring new ways of discovering and developing leadership in the 21st century and beyond.
- Elisabeth's vision is for World Leadership Day to be a yearly, growing international event that is celebrated and publicised world wide to give leadership the high profile it commands.

This inaugural event will take place at the Vibe Hotel, Rushcutters Bay, Sydney from 8.15am - 4.30pm.

"The vision for the World Leadership Day has received positive support from highly respected national leaders with extensive global experience, sponsors and international leaders who are in alignment with our vision," explained Elisabeth.

The theme of the inaugural event is **Ignite the Leader Within**. Speakers include: Elisabeth Gortschacher, founder of World Leadership Day; Margaret Wright, Consultant to Boards and Senior Executives; Aaron Caldwell, Good Deeds International and Paul Gilding, Ecos Corporation.

"A historic e-book will be released soon after the event. It will include articles contributed by writers from around the globe," stated Elisabeth.
